Oretha Pennock, Debbie Fougerat's mother, received a good report from the doctor and they will continue to monitor her health as she recovers from pneumonia.

Sharon Saint, Zach Babb's mother, was released from the hospital on Jan. 3. She remains on antibiotics and steroids at home. She will have a procedure every three months for a year to expand a stint in her bile duct.

Peggy Walls has successful surgery on Thursday and they were able to remove all of the cancerous spots on her face. She will go back in two weeks to have the spots removed from her nose. She is doing well.
